PPG GLASS TECHNOLOGY CENTER TOUR

Thursday, October 25th

3:00 pm – 5:00 pm

TENTATIVE AGENDA

Glass Melting
Architectural Display Room
Photovoltaic Windows
Aircraft Transparencies
Automotive Display Rooms
Small MSVD Coater and Glass Display
Tour of the Analytical Department
Refreshments

Space is limited to the first 25 confirmed. SSP members will need to register in advance by contacting Jennifer Cassidy by email cassidy@pittcon.org, by phone (412) 825-3220 x218, or by fax (412) 825-3224.

DIRECTIONS: From Route 28 take Exit 11 onto Route 910 and head south. Turn right onto Freeport Road. At the next traffic signal (formerly Eat N Park, soon will be "Three Amigos") turn right onto Guys Run Road. Follow Guys Run Road to the top of the hill. PPG-GTC will be on the right. You really can't miss it. Their newly changed address is 400 Guys Run Road, Cheswick, PA 15024.
