

## Barry van Gemert

Barry Van Gemert Received a B.S. in Botany from the University of Massachusetts (Amherst) in 1968 and a Ph.D. in Organic Chemistry from Purdue University in 1976. He joined PPG Industries that year at their Barberton Ohio research center. Dr. Van Gemert has worked for PPG for 32 years, the last 20 in the area of photochromic dyes. He is considered an expert in the area of naphthopyrans, having written a number of scientific articles on the subject, as well as being inventor or co-inventor of approximately 45 US patents. He is a member of the international scientific committee of the ISOP conference series, a recipient of PPG's President's award, and a member of the PPG Collegium.
