

# 22nd Annual Faraday Lecture

## Weird Science on Energy and Fuel

Presented by: Dr. Lee Marek, Professor, University of Illinois at Chicago

Lee Marek is the 2003 Helen M. Free Award recipient for Public Outreach. Dr. Marek has lead or co-lead well over 600 workshops and programs for teachers, students and the general public. Marek is part of a group called WEIRD SCIENCE that has presented programs across the U.S. and in a number of other countries. This demonstration will knock your sox off!
