

# 23<sup>rd</sup> Annual Faraday Lecture

## Not Just Another Chemistry Lecture

Soldiers & Sailors Memorial Hall, 4141 Fifth Avenue, Pittsburgh (Oakland)

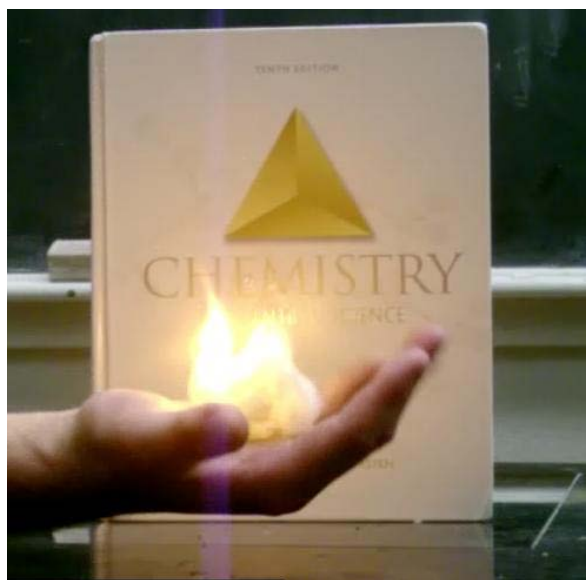

**FREE PERFORMANCE OPEN TO THE PUBLIC, NO RESERVATIONS NEEDED**

**Tuesday, November 16, 2010, 7:30 PM (Doors open at 7 PM)**

**FREE TICKETED SCHOOL STUDENT SHOWS, RESERVATIONS REQUIRED**

**Tuesday, November 16, 11 AM and Wednesday, November 17, 10:15 AM**  
(visit [www.sacp.org](http://www.sacp.org) for information)

Presented by Iowa State University's **S.C.U.M.\***

**\*S.C.U.M., ISU's Society for Chemistry Undergraduate Majors, is a college student group which presents chemistry demonstration shows to younger student groups. They will show and explain the wonders of many flaming substances, along with party drinks that change colors, and other explosions, bangs, and surprises.**

Sponsored by Society for Analytical Chemists of Pittsburgh ([www.sacp.org](http://www.sacp.org))

& Spectroscopy Society of Pittsburgh ([www.ssp-pgh.org](http://www.ssp-pgh.org))
